SYMPOSIUM ON STAINLESS STEELS

This symposium, being held at The President Hotel, Johannesburg on 9th-11th September, 1969, is being jointly sponsored by **The South African Institute of Mining and Metallurgy**, The South African Corrosion Council and the Southern Africa Stainless Steel Development Association, and supported by the C.S.I.R.

The three days of technical sessions, at which 350 delegates are expected, will include introductory films on the properties and uses of stainless steels, papers on corrosion problems and prevention, design and economics, welding and applications in industries of particular importance to South Africa. The programme includes four overseas guest speakers who are acknowledged leaders in their respective fields.

Detailed programmes together with application forms for registration will be published shortly. Enquiries to P.O. Box 8954, Johannesburg.

SYMPOSIUM ON THE RECOVERY OF PYRITE

You are reminded that a symposium on the recovery of pyrite will be held at Kelvin House, Johannesburg on 12th and 13th June, 1969. This symposium is being jointly sponsored by **The South African Institute of Mining and Metallurgy** and the **National Institute for Metallurgy**.

There will be two days of technical sessions covering all aspects of pyrite which should prove stimulating and instructive. A detailed programme with a registration form has been sent to all members and you are reminded that these applications should be returned to the Secretary before 15th May, 1969. If you have not received this notification please contact the Secretary.
