

ESGS CONFERENCE 2026

CLIMATE CHANGE IN MINING:

Risks, Governance, Sustainability,
and Environmental Management

DATE: 26-27 AUGUST 2026
VENUE: GLENBURN LODGE,
MULDERSDRIFT

ECSA AND SACNASP VALIDATED CPD ACTIVITY CREDITS = 0.1 PER HOUR ATTENDED

Building on the success of the inaugural 2024 event, the second ESGS Conference in 2026 will focus on the overarching theme of Climate Change in Mining. The conference will bring together mining leaders, policymakers, financiers, and sustainability experts to explore how the industry can adapt, innovate, and thrive in the face of climate challenges.
