

TAILINGS CONFERENCE

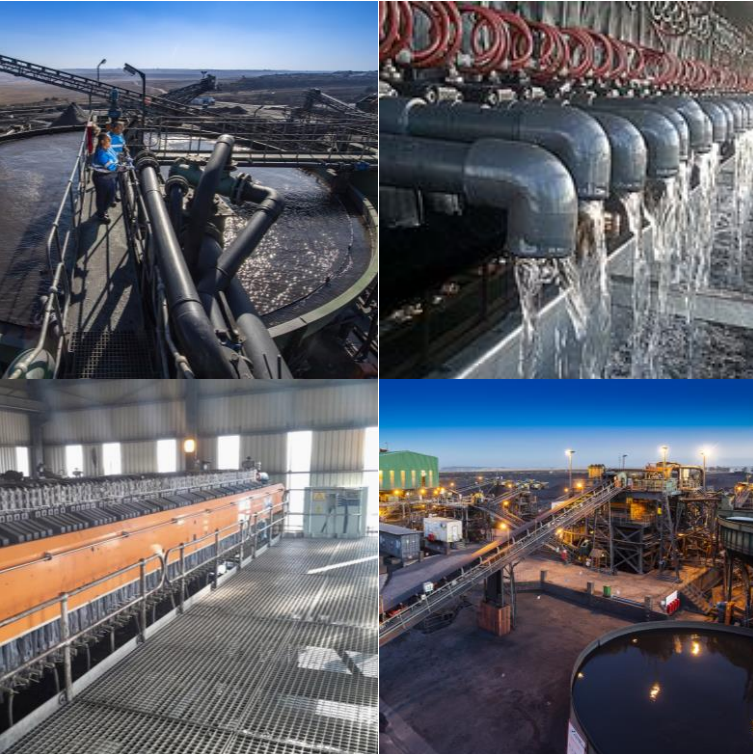

TECHNICAL VISIT – NTSHOVELO CHPP

26 October 2023

Ntshovelo Colliery is located 70km east of Johannesburg in the Delmas district, and it is part of Mbuyelo Coal. The CHPP treats 2 million tons of coal per annum. The facility incorporates: ROM crushing plant, DMS cyclone module, coal fines spiral circuit, water recovery circuit using a thickener and filter press.

Programme: 09h00 to 12h30

- Sign in as visitor at Ntshovelo mine entrance
- Site specific induction and brief presentation at Plant Office
- Divide into groups of 15 for plant visit
- Hosts to accompany groups to various sections of the CHPP
- Return to plant offices where refreshments will be served
