# ENTREPRENEURSHIP IN THE MINERALS INDUSTRY CONFERENCE 2019

BRINGING IDEAS TO LIFE

## BACKGROUND

The adoption of the Mining Charter 3 and refined policies in South Africa presents a new dawn for SMEs and entrepreneurs in the Minerals and Metals sector. While large business is changing their operating models to remain competitive, there is a firm belief that small-scale and emerging business will unlock future employment opportunities and drive economic activity both locally and globally.

## WHO SHOULD ATTEND

This event will appeal to young professionals, SMEs, junior miners and entrepreneurs in the minerals sectors, mining industry leaders, original equipment manufacturers (OEMs) both local and international, researchers, government departments and funding agencies

## OBJECTIVES

This conference seeks to provide a platform for stakeholders to broaden their view of the industry and identify and leverage on available opportunities.

The various conference sessions are aimed at highlighting how mining companies and OEMs are currently adapting and applying their supplier development strategies and how SMEs, emerging business and entrepreneurs can leverage from these initiatives. The objectives of the conference will be achieved through the following four Forums:

- Supplier Development
- Finance
- Innovation
- Turning ideas into business opportunities
