How ICT Tech Innovation Brings Digital Transformation to the Mining Industry

Huawei Mining Virtual Round Table Summit 2021

11:00 - 12:30 | 27 July 2021

On behalf of Huawei, we cordially to invite you to the Huawei Mining Virtual Round Table Summit, which will take place online on the 27th July, 11:00am-12:30pm.

An extraordinary year has passed. 2021 will be a year of digital transformation. The digital journey of Mining needs pro-active promotion of modern technologies and latest solution resources for mining industries; accessible and available, anytime, anywhere.

From business, technology and other dimensions, together with global mining administrators and heads, we will explore how the use of innovative technologies will accelerate the digital journey of the mining industry and facilitates innovation in mining management.

Thank you in advance for your support. We look forward to your participation.
