

SAIMM
THE SOUTHERN AFRICAN INSTITUTE
OF MINING AND METALLURGY

Please join the SAIMM Technical Programme (TP) Engagement Session

Date: Thursday the 27 January 2022

Time: 17h00-18h30

The SAIMM Technical Programme Steercom would like to engage with you to better understand the needs and challenges in the industry now. We have found these interactions to be very valuable for planning our events calendar and gaining insights into the industry needs.

We would like to continue to offer you solutions that directly impact your business and your career as a minerals industry professional.

We cannot do it without your input. We invite you to participate and be a part of the growth and success of the SAIMM and the Minerals Industry.

Please remember to register to attend the online engagement session
