February 2022 Theme: Goal Setting

9 February 2022 Set yourself up for success

Online *via* Zoom

## YPC Representatives

**Host:** Kondwani Banda and **Co-host:** Simone Naicker

Start the year with some motivation and vision to stand out amongst your peers and steer your personal and career goals towards success. Join industry leaders on a one-hour panel to discuss your approach to Goal Setting and how to set yourself up for success in 2022.

## Meet the Panel

### MZILA ISAAC MTHENJANE

**EXECUTIVE HEAD: STAKEHOLDER AFFAIRS**

BSc (Mining eng), Senior Management Development Programme (GIMT)

**“Plans help us to navigate life, rather than life happening to us”**

Mzila is a mining engineer with combined experience in mining and investment banking of 20 years. This includes seven years in deep-level gold mining at AngloGold Ashanti and Gold Fields Limited in senior mine management and corporate development roles, respectively; and six years in investment banking at RMB and Deutsche Bank. His knowledge of business sustainability was honed over six years as executive: business sustainability at Royal Bafokeng Holdings and Royal Bafokeng Platinum. He assumed his current role in May 2013. Mzila also served as the 2019/2020 President of the Southern African Institute of Mining and Metallurgy (SAIMM).

### BRIONY LIBER

**BRIONY LIBER COACHING AND CONSULTING (PTY) LTD**

**“So often we fall into the trap of setting aspirational goals that sound good and impress other people. My talk is about shifting away from aspirational goals and focussing on setting bold, heartfelt and generative goals that inspire, stretch and motivate you”**

Briony Liber is a Career and Self leadership coach. She works predominantly with clients in the mining industry and with professionals in STEM careers. She focusses on supporting clients in defining their narrative and taking the lead in how they show up as experts in their network. Prior to moving into coaching in 2017, she worked in the mining and civil infrastructure industries for 18 years in ESG consulting. You can find her at [www.brionyliber.com](http://www.brionyliber.com)

### ARJEN DE BRUIN

**MANAGING DIRECTOR OIM CONSULTING**

**“Ability to impact and influence ”**

With operational consulting experience since 1991, Arjen de Bruin has successfully led business improvement projects for several prominent South African companies in industries such as mining, financial services, manufacturing, retail and debt collection, as well as the public sector. During this time, he gained extensive expertise in process redesign, production management, process automation, business specifications and call centre optimisation
