

Please join The Young Professionals Office Bearers Engagement Session

Date: Thursday the 24th June 2021

Time: 15h00-16h00

The SAIMM Young Professionals Office Bearers (YPC) would like to engage with you to better understand the current needs and challenges of young professionals in the industry. The YPC want to offer you solutions that directly impact your professional development as a future leader in the minerals industry.

We invite you to participate in this one-hour webinar to learn how to get involved in the YPC activities and better understand the role and purpose of the YPC in the industry and for you as a young professional. Bring your voice to the session to discuss issues like diversity, leadership, the future of mining, technical skills etc.

We appreciate your input and look forward to seeing you online during the session

Please remember to register to attend the online engagement session
